Section 1 – Introduction

This directory provides a list of Memorial Hermann *Advantage* HMO's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

This guide provides a directory of Dental Providers in the service area who participate in Memorial Hermann *Advantage* HMO.

The network providers listed in this directory have agreed to provide you with your dental services. You may go to any of our network providers listed in this directory; You may go to any of our network providers listed in this directory without a referral. In some cases you may need to receive covered services from non-network providers.

If a non-contracted dental provider sends a bill directly to you, call Customer Service. If a non-contracted dental provider sends a bill for out-of-area emergencies or urgently needed care directly to you, do not pay the bill. Any bill(s) sent directly to you must be submitted to Memorial Hermann as soon as possible. The claims address is on the back of your Memorial Hermann *Advantage* HMO ID card.

If you need dental care that Medicare requires our Plan to cover and the providers in our network cannot provide this care, you can get this care from an out-of-network provider; however the provider must participate in the original Medicare program or accept Medicare payment assignment. In this situation, you must obtain prior authorization to receive these services. We will pay the same as you would pay if you got the care from a network provider.

If you have a medical emergency, get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your healthcare provider. As soon as possible, make sure that our plan has been told about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care at 1-888-845-6023, usually within 48 hours. TTY: 711.

Urgently needed services are non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care. Urgently needed services may be furnished by network providers or by out-of-network providers when network providers are temporarily unavailable or inaccessible. You should always try to obtain urgently needed services from network providers.

However, if providers are temporarily unavailable or inaccessible and it is not reasonable to wait to obtain care from your network provider, we will cover urgently needed services that you get from an out-of-network provider. You can receive care from any urgent care provider. We recommend you contact your Dental office if you need urgent care. If urgent care services are received in your providers office, you will pay the normal agreed rate for that service; however if urgent care services are received at a non-contracted plan Dental clinic, you will pay the urgent care center co-payment or any applicable fees.

Sección 1 - Introducción

Este directorio proporciona una lista de los proveedores de la red de **Memorial Hermann Advantage HMO**. Para obtener información detallada sobre su cobertura de cuidado de la salud, consulte su Evidencia de cobertura (EOC).

Esta guía proporciona un directorio de proveedores dentales en el área de servicio que participan en Memorial Hermann Advantage HMO.

Los proveedores de la red que figuran en este directorio han acordado proporcionarle sus servicios **dentales**. Puede visitar a cualquiera de los proveedores de nuestra red que figuran en este directorio. Puede visitar a cualquiera de los proveedores de nuestra red que figuran en este directorio sin una remisión. En algunos casos, es posible que necesite recibir servicios cubiertos de proveedores fuera de la red.

Si un proveedor dental no contratado le envía una factura directamente a usted, llame a Servicio al Cliente. Si un proveedor dental no contratado le envía directamente una factura por emergencias o atención urgentemente necesaria fuera del área, no pague la factura. Cualquier factura enviada directamente a usted debe enviarse a Memorial Hermann tan pronto como sea posible. La dirección de reclamos se encuentra en el reverso de su tarjeta de identificación de Memorial Hermann Advantage HMO.

Si necesita atención dental que Medicare exige que nuestro plan cubra y los proveedores de nuestra red no pueden proporcionar esta atención, puede recibir esta atención de un proveedor fuera de la red; sin embargo, el proveedor debe participar en el programa Original Medicare o debe aceptar asignación de pagos de Medicare. En esta situación, usted debe obtener autorización previa para recibir estos servicios. Pagaremos lo mismo que pagaría si recibiese la atención de un proveedor de la red.

Si tiene una emergencia médica, obtenga ayuda lo más rápido posible. Llame al 911 para obtener ayuda o diríjase a la sala de emergencias u hospital más cercano. Llame una ambulancia si la necesita. No necesita obtener primero una aprobación o una remisión del proveedor de atención médica. Tan pronto como sea posible, asegúrese de informar a nuestro plan de su emergencia. Debemos dar seguimiento a su atención de emergencia. Usted u otra persona debe llamar al 1-888-845-6023 para informarnos sobre su atención de emergencia en un plazo no mayor de 48 horas. TTY: 711.

Los servicios urgentemente necesarios son enfermedades, lesiones o afecciones médicas imprevistas que no son de emergencia y que requieren atención médica inmediata. Los proveedores de la red o los proveedores fuera de la red, cuando los proveedores de la red no están disponibles temporalmente o son inaccesibles, pueden proporcionar los servicios urgentemente necesarios. Usted debe tratar de obtener estos servicios de un proveedor de la red.

Sin embargo, si los proveedores están temporalmente fuera de servicio o están inaccesibles y no es razonable esperar a obtener atención de su proveedor de la red, cubriremos los servicios de urgencia que usted obtenga de un proveedor fuera de la red. Puede recibir atención de cualquier proveedor de atención de urgencia. Le recomendamos comunicarse con el consultorio dental si necesita atención de urgencia. Si recibe los servicios de atención de urgencia en el consultorio de su proveedor, pagará la tarifa normal acordada para ese servicio; sin embargo, si recibe los servicios de atención de urgencia en una clínica dental sin plan contratado, pagará el copago del centro de atención de urgencia o cualquier cargo que corresponda.
