

## LCEP Pharmacy Students

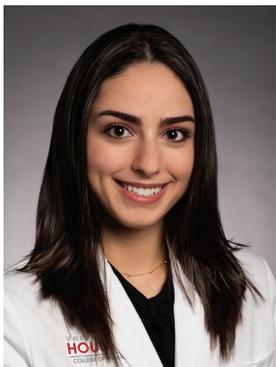

**Lamees Loubani, PharmD Candidate**

**Email:** [lamees.loubani@memorialhermann.org](mailto:lamees.loubani@memorialhermann.org)

Lamees, born in Houston, Texas and raised in Lebanon is currently a P4 student at the University of Houston, College of Pharmacy. Her practice areas of interest include pharmacy administration, ambulatory care, and academia. In addition to her clinical responsibilities, Lamees serves as the Phi Lambda Sigma Speaker of the House and is an active member of American Society of Health System Pharmacists, Student National Pharmaceutical Association, and American College of Clinical Pharmacy. Her research project is focused on pain management for patients with sickle cell crisis. Upon completion of her pharmacy degree, Lamees plans to complete a pharmacy residency. Ultimately, she hopes to practice in an area that allows her to combine her passion for patient care, teaching, and research.

**Advisor:** Latosha Mitchell, PharmD, BCPS; Teri Ogg, PharmD, BCPS

**Christie Saad, PharmD Candidate**

**Email:** [christie.saad@memorialhermann.org](mailto:christie.saad@memorialhermann.org)

Christie Saad, born and raised in Houston, Texas, is currently a P4 student at the University of Houston, College of Pharmacy. Her practice areas of interest include critical care, cardiology and pediatrics. In addition to her clinical responsibilities, Christie is a member of Phi Lambda Sigma (PLS), the American Pharmacists Association- Academy of Student Pharmacists (APhA-ASP), American Society of Health-System Pharmacists (ASHP) and the Texas Pharmacy Association (TPA). Her research project is focused on the evaluation of proper indication, initiation, monitoring, dosing adjustments and safety of dofetilide. Upon completion of her pharmacy degree, Christie plans to pursue a PGY1 and PGY2 pharmacy residency. Ultimately, she hopes to obtain a clinical position at a large academic medical center that is associated with a college of pharmacy where she can combine patient care, teaching and research.

**Advisor:** Melanie Madorsky, PharmD, BCPS, BCCP
