How to Participate:

Please complete the steps for one or
both options below to join the fun.

1. Schedule your mammogram: visit
[memorialhermann.org/greaterheights-
mammo](https://www.memorialhermann.org/greaterheights-mammo) or scan the QR code.
2. Register to play Mahjong: email
[MHGHcommunications@
memorialhermann.org](mailto:MHGHcommunications@memorialhermann.org) with your name
and Mahjong playing level (beginner
or experienced).

Join us for a special day of wellness, connection and fun. Prioritize your health by scheduling your screening mammogram in advance, then stick around to play a few games of Mahjong! You are welcome to join us for both activities—or just choose the one that works best for your schedule.

When you take care of your health, you inspire those around you to do the same.

During this event, we will offer:

- Light bites and refreshments
- Swag bags
- The chance to win a gift basket
- Breast health information and resources from one of our trusted physicians

New to Mahjong? No problem. Instructors will be available to provide a brief introduction to the basics, while experienced players can enjoy open play. If you've got a 2026 National Mah Jongg League (NMJL) card, remember to bring it.

When it is time for your appointment, your name will be called for you to then proceed to your mammogram.

What to Bring for Your Mammogram:

Please bring your photo ID and insurance card to your appointment. An order is not required for a screening mammogram, but you must have a health care provider in order to receive your results.
